

Cookie Notice

To make this site work properly, we sometimes place small data files called cookies on your device. Most big websites do this too.

What are cookies?

A cookie is a small text file that a website saves on your computer or mobile device when you visit the site. It enables the website to remember your actions and preferences (such as login, language, font size and other display preferences) over a period of time, so you don't have to keep re-entering them whenever you come back to the site or browse from one page to another.

How do we use cookies?

ENTRADE IO PTE. LTD., Registration No. 201828499k, 150 BEACH ROAD, #35-00, GATEWAY WEST, SINGAPORE, 189720 (Entrade IO) is the controller of your personal data. You can contact us by email at [tandc@entrade.io].

Our Website uses cookies to collect your IP address and browsing information, such as the websites you have visited or time you have spent on each page and allow the Website to remember your system and preferences.

Other cookies allow us to track Website traffic and users' interaction with the Website – we use this data to analyse visitors' behaviour and to improve the visitors' experience.

The Website uses the following cookies:

Cookies are placed on your device only if you provide your consent. However, note that if you do not consent to the use of cookies, certain functions of the Website may not function properly or may not function at all.

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control.

Name	Categories of personal data collected	Storage Period

Youtube.com	Device and browser information, device location, session time and duration, specific actions performed during the session time, session source, IP address.	Session cookie data until the end of the session, audience cookie data up to 540 days

How to control cookies

You can control and/or delete cookies as you wish – for details, see aboutcookies.org.

You can delete all cookies that are already on your computer and you can set most browsers to prevent them from being placed. If you do this, however, you may have to manually adjust some preferences every time you visit a site and some services and functionalities may not work.

To find more information about the use of your personal data, recipients of personal data, data storage, data security and your rights as the data subject, please read our [\[Privacy Policy\]](#).
